

ACTIVE THREAT PROJECT PLANNER/MANAGER

Hagerty Consulting, Inc., is aggressively recruiting for an Active Threat Planner! As a nationally recognized, comprehensive homeland security and emergency management firm, our focus is on helping clients prepare for and recover from disasters. We are looking for an Active Threat Planner **with professional, real-world experience** in the development, maintenance, analysis, and review of active threat plans and policies related to national security and homeland security. Compensation will be commensurate with experience.

JOB DESCRIPTION

The Active Threat Planner will assist in project management roles for our active threat preparedness programs. Hagerty Consulting, Inc. has developed an innovative approach to bringing stakeholders from across communities together to plan, train, and exercise for active threat events. It is a whole-community endeavor. This approach considers activities of the entire life-cycle of an active threat event: starting with prevention and continuing through from response to recovery.

DESIRED QUALIFICATIONS

- College degree mandatory. Preference is for degrees in Emergency Management, Disaster Management, Threat Assessment and Response Management, or Homeland Security.
- Real-world experience in homeland security and counter-terrorism - working with law enforcement, security, emergency management, fire services, intelligence, and/or military in planning, training, and exercise.
- Serve as a Managing Associate within the firm's Preparedness Division.

We are looking specifically for an Active Threat Planner that has:

- Three - five years' professional experience in this space with at least two years' experience with project management (Deputy or Senior Project Manager).
- Must be HSEEP certified.
- Past performance documentation of developing, writing, and reviewing all-hazards plans with a focus on active threat scenarios.
- Superior interpersonal and communications, written, and verbal skills with the art of navigating conflicting passionate personalities.
- Ability to be a productive supporting member of a team and to facilitate wide range of groups from community stakeholders to publicly elected officials; from local, state, or federal workers to private sector collaborators.
- Credentialed in: FEMA's Professional Development Series required. Active threat training including but not limited to ALICE; ALERRT; or FLET-C sought.
- Candidates must be eligible to work in the United States.
- Candidates must be in the Greater St. Louis Metropolitan area or be interested in relocating to the area.
