

JOB LISTING: DISASTER RECOVERY MANAGER

Location: Sacramento, California

Are you looking to make a difference and assisting survivors in recovering from disasters while working in a dynamic environment for a growing consulting firm? Hagerty Consulting, Inc., a nationally recognized, comprehensive homeland security and emergency management consulting firm focused on helping clients prepare for and recover from disasters, has immediate needs for wildfire response and recovery support in California. We are looking for consultants to fill a variety of positions in the overall recovery operation.

Ideal candidates will have some combination of:

- » An understanding of how Joint Field Offices function;
- » FEMA's Public Assistance program;
- » An understanding of long-term disaster recovery;
- » Bachelor's Degree in in a relevant field preferred, with a minimum of one-year experience in emergency management, homeland security, disaster recovery, accounting, finance or other relevant field;
- » The ability to be flexible in a dynamic environment and outstanding written and verbal communication skills. This position will work in a collaborative environment with both Hagerty and client personnel and presents the opportunity for career growth.

If you want to make a direct impact assisting those impacted by disasters, please apply.

Candidates must be eligible to work in the United States uninterruptedly and successfully complete a background and criminal history check.

Interested candidates should apply online at <http://hagertyconsulting.com/about-us/work-for-us/>

Please include a cover letter describing your qualifications and relevant experience in response and recovery, along with compensation requirements, a current résumé, and writing sample.
